

Public Purchasing Made Simple

Credible. Competitive. Convenient.

Buy what you need from a supplier you trust using cooperative purchasing. As a government entity, Sourcewell provides easy access to competitively awarded contracts through a trusted solicitation process.

Support your public purchasing process

Credible

- Work with a government agency that understands public procurement
- Join more than 50,000 participating agencies nationwide

Competitive

- Support competitive requirements with documented evaluation and review
- Access contracts structured to support best-value purchasing decisions

Convenient

- Save time by leveraging Sourcewell's competitive solicitation process
- Access contract and solicitation documents

Customized

- Purchase locally through authorized dealers and representatives
- Modify base contracts with additional terms and conditions, as allowed

> "Having the Sourcewell pricing takes the guesswork out of the game, saving hours and hours of paperwork."
