NEW DEALER

Allstate Equipment Services, LLC

JETLINE SALES & SERVICE

RAVO welcomes two New Dealers to its US Dealer Network:

Allstate Equipment Services and Jetline Sales and Services.

RAVO is excited to announce the addition of two new authorized dealers to its US network: **Allstate Equipment Services** and **Jetline Sales and Services**. This strategic expansion strengthens our commitment to providing exceptional urban street cleaning solutions across the United States, ensuring broader access to RAVO's cutting-edge electric and traditional street sweepers.

With over 60 years of experience in the sweeper industry, RAVO continues to prioritize innovation, efficiency, and sustainability. The addition of Allstate Equipment Services and Jetline Sales and Services aligns with our mission to bring superior street sweeping technology closer to municipalities, contractors, and other customers across various regions. Both dealers bring knowledge and strong local relationships, which will enhance customer support and service capabilities.

Allstate Equipment Services Based in Louisville, Kentucky, Allstate Equipment Services is renowned for its extensive experience in providing high-quality maintenance equipment and outstanding service support. Their comprehensive understanding of municipal and industrial needs makes them a valuable partner for RAVO's ambitious growth strategy. Customers can expect reliable support and expert advice tailored to RAVO’s complete product range.

"We are delighted to welcome Allstate Equipment Services and Jetline Sales and Services into the RAVO family," said James Crockett, Sales Manager – RAVO & SCARAB "These new partnerships demonstrate our dedication to growing our presence in the US market, expanding our reach, and providing customers with the best products and services."

The inclusion of these dealers reflects RAVO's ongoing efforts to strengthen its dealer network in North America, providing a more localized approach to customer needs. The newly expanded network will help ensure that RAVO's cutting-edge street sweepers, including the electric E2 and R5e, are accessible and well-supported, fostering cleaner and more sustainable cities across the country.
